Profile summary

Frontend Developer skilled in building responsive, accessible, and high-performance web applications using HTML5, CSS3, JavaScript, and Bootstrap. Experienced in developing user-focused interfaces, optimizing load time, and implementing cross-browser compatibility. Demonstrated ability to improve UI efficiency and deliver seamless digital experiences across devices.

Education

MSS Wakf Board College Madurai - BSC CHEMISTRY   2022 – 2025
Higher Secondary Education - Fusco's Matriculation school Madurai   2022

Projects

ELECTRIC BIKE SERVICE   github.io/VoltRide/

- Developed a **responsive web app** for electric bike service booking and live vehicle tracking.
- Integrated **Google Maps API** for **real-time tracking**, reducing service delays by **40%**.
- Designed an **intuitive Bootstrap UI**, improving user navigation satisfaction by **35%**.
- Enhanced **service response time by 25%** through efficient API data handling.

CHAT TRANSLATOR   github.io/translation-chat

- Built a **real-time multilingual chat app** supporting over **12+ languages**.
- Used **Google translation APIs** to enable automatic language conversion in real time.
- Designed a **mobile-friendly chat interface** with improved message load speed by **20%**.
- Increased **user engagement by 30%** through accessible design and global language coverage.

MOVIE FINDER   github.com/movie-finder

- Developed a **movie search platform** using the **OMDb API**, handling **10,000+ movie records**.
- Implemented **instant search suggestions**, improving query response by **25%**.
- Optimized **asynchronous API calls**, reducing fetch latency by **20%**.
- Enhanced overall **UX and search accuracy**, driving higher session retention.

TECHNICAL SKILLS

FRONTEND DEVELOPMENT :

- Proficient in developing responsive, interactive, and visually appealing web interfaces using **HTML5**, **CSS3**, and **JavaScript (ES6+)**.
- Skilled in applying **Bootstrap**, **Flexbox**, and **CSS Grid** to create adaptive and consistent layouts across devices and screen sizes.
- Experienced in **DOM manipulation**, implementing **responsive design**, and ensuring **cross-browser compatibility** for seamless user experiences.

VERSION CONTROL :

Proficient in using Git and GitHub for source code management, collaboration, and version tracking. Experienced in branching, merging, and maintaining clean commit histories in collaborative development environments.
